## Accommodations Near Edwards Mountain Woodworks

Unfortunately, there are no hotels or motels in a reasonable price range very near Edwards Mountain Woodworks. Most reasonably priced accommodations will be between Durham and Chapel Hill along Hwy 54 and Hwy 15-501 (also known as the Durham Chapel Hill Blvd.) or they will be around the area of Raleigh Durham Airport (along I-40 and Hwy 55 and near Morrisville). Fortunately, each of these locations is within 15 miles of my shop. I have made a list of 6 hotels/motels that are in this area and that publish what I consider a reasonable rate. The amounts I have listed are the lowest that they advertise, and these may not be available on short notice. There are many other options available.
