EMW: Edwards Mountain Woodworks, Chapel Hill, NC; JCCFS: John C. Campbell Folk School, Brasstown, NC; WC: Woodcraft, Raleigh, NC; WWS: Wood Wright's School, Pittsboro, NC.

My workshops focus on hand tool woodworking skills and techniques, and are generally from 1 to 5 days in length, 9 am to 5 pm, often later in the evenings. In some cases, either experience or a previous workshop is required. All tools and a comprehensive manual are provided for each workshop. A tool list is available, and students are encouraged to bring their personal tools as well. Many classes have a materials fee as well.
